Summary: A song I wrote. Tried to be inspirational.

The End Shall Not Come

They are coming

All the monsters

They wish to see us fall

And now it is to you that I call

We must stand together, strong and tall

Sturdier than a stone wall

Their numbers are great

Their hearts cold as ice

Their souls black as midnight

Join me in this plight

There is no point in taking flight

We all must fight

For together, they cannot match our might

We are strong as one

With our grand unity

We shall all be free

No longer will we be plagued  
By the undead hordes  
Do not fear my brethren  
Tomorrow's light will dawn  
Upon us a new day will shine  
As peace reigns supreme  
Have no worries on this night  
For tomorrow will come  
Heralding our victory  
You shall hear  
A wondrous cheer  
Cherish all you hold dear  
Keep them near  
But have no fear  
For the End is not here

End  
file.
